Team Coaching Qualifications for  
Managers & Leaders who want to become  
Professional Team Coaches

## Introduction

This qualification is designed to provide a deep dive into the area of team coaching for managers and leaders/existing coaches. This course will enable you to develop the skills, knowledge and expertise to enable professional team coaches to deliver impact, behave ethically and demonstrate a commitment to continual learning and development.

## Qualification Benefits

### Individual

- Team coaching brings together an existing team of people who have shared goals and purpose. This type of coaching can impact on organisational success. It has the power to optimise the effectiveness of a team, promoting trust, collaboration, cohesion and inclusion in the pursuit of a shared goal.
- On successful completion of the unit, Professional Coaches will understand the principles of professional team coaching and will be able to plan, deliver and manage coaching for teams.

### Organisational

- Professional coaching delivered to teams is a strategy increasingly used by organisations to support and develop their staff.
- Through the process of working with a Professional Coach, the team and its members are able to benefit from the wisdom and experience of each other

## Assessment

Assessment is via a practical work-based assignment which ensures you minimise time away from work and that you undertake work study which is relevant to your own organisation's context.

## Programme delivery

This programme is delivered by a team of our coaching experts. Louise Gozzard heads up the team consisting of Chris Goodwin, Dave Reynolds and Mandy Johnson. All the team are qualified executive coaches and coach supervisors and deliver the programme across the UK.

## Open residential courses in the Lake District with Results Driven Group

What makes the results driven experience different from any other residential course?

Firstly we will start with the location...

The northern Lake District around Keswick and Derwent Water is arguably one of the most beautiful areas in the UK, it does not matter which time of year you are there, the panorama is always changing and the views are always stunning...

Secondly we use nature as a metaphor for learning...

We believe that you think and work differently according to the environment you are exposed to and work in, we use all of the elements of nature to enhance the learning experience and take you out on each day of the programme to experience learning outdoors...☺

“All of the activities we use are safe and are tailored to the capabilities of each group”

**Earth** – the landscape around us, the Mountains, Valleys and different vistas according to the seasons

**Air** – the different forces that the wind can create and the effect on the landscape that it has is awe inspiring!!

**Fire** – the strength of the sun and difference it can make to a view or an experience or how you feel allows you to reflect and look at things from different perspectives

**Water** – the lakes and the rain, the background vistas that you can embrace in the different seasons make this a stunning place to learn

### Client testimonial

*Fantastic way to learn and improve your skills. Environment unbelievable, enthusiastic trainer and the chance to meet an interesting group of people to exchange views and theories.*

Debbie Frisker

*Thirdly, the delegate experience is completely different...*

On any other residential course you would turn up at 09.30, do the course work and then go back to your hotel at 16.00. As part of the programme we spend time learning together, undertaking activities together, eating together and most of all having FUN. One delegate recently described this as homeliness and that he has never come across this type of experience before on a training course.

### Client testimonial

*A fast moving inspirational course which utilises a range of teaching methods in beautiful surroundings...*

Lisa Aitken

*Finally the networking aspect...*

This is something you can never recreate on a closed course. When you mix up clients who come from the public, private and third sectors, who have had completely different life experiences, different perspectives of how things work and job roles, then anything can happen!! It is usually pretty special and we have seen long lasting friendships developed over the time spent with us in the Lakes.

*Your accommodation and catering...*

We have 2 beautiful houses in Keswick where you will have your own bedroom. We also provide breakfast and light refreshments each day. Lunch and dinner are not included in the cost but there are many options in Keswick to buy snacks or enjoy meals out.

If you would like to see the properties, then please visit; [www.newlandshousekeswick.co.uk](http://www.newlandshousekeswick.co.uk) for further information

Hopefully this will give you an insight into why the results driven learning experience is different.
