Middle Manager
Development Programme

4 Day Open Residential Course in
The Lake District
or Tutor-Led Online

Introduction

Did you know...?

According to a recent Gallup Poll undertaken over 20 years

- Only 13% of employees worldwide are engaged and this has hardly moved over the last 12 years
- Gallup has studied performance at hundreds of organisations and measured the engagement of 27 million employees and more than 2.5 million work units over the past two decades
- Gallup has discovered links between employee engagement at the business-unit level and vital performance indicators

Only one in 10 managers has the core skills needed to be a great manager and the core skills are:

- They motivate every single employee to take action and engage them with a compelling mission and vision
- They have the assertiveness to drive outcomes and the ability to overcome adversity and resistance
- They create a culture of clear accountability
- They build relationships that create trust, open dialogue, and full transparency
- They make decisions that are based on productivity, not politics

The Results Driven Group has therefore developed a programme that is exciting, engaging and challenging. This is our Middle Manager – Management and Leadership Development Programme.

This experiential programme is delivered as a residential course at our teambuilding facilities in Keswick, Cumbria where we make use of the vista and geography of the Lake District, or as a tutor-led online course.

Programme content

Open residential courses in the Lake District with Results Driven Group

What makes the results driven experience different from any other residential course?

Firstly we will start with the location...

The northern Lake District around Keswick and Derwent Water is arguably one of the most beautiful areas in the UK. It does not matter which time of year you are there, the panorama is always changing and the views are always stunning.

Secondly we use nature as a metaphor for learning...

We believe that you think and work differently according to the environment you are exposed to and work in. We use all of the elements of nature to enhance the learning experience and take you out each day to experience outdoor learning...😊

All of the activities we use are safe and are tailored to the capabilities of each group.

Earth – the landscape around us, the Mountains, Valleys and different vistas according to the seasons.

Air – the different forces that the wind can create and the effect on the landscape that it has is awe inspiring!!

Fire – the strength of the sun and difference it can make to a view or an experience or how you feel allows you to reflect and look at things from different perspectives.

Water – the lakes and the rain, the background vistas that you can embrace in the different seasons make this a stunning place to learn.

Client testimonial

Fantastic way to learn and improve your skills. Environment unbelievable, enthusiastic trainer and the chance to meet an interesting group of people to exchange views and theories.

Debbie Frisker

Thirdly, the delegate experience is completely different...

On any other residential course you would turn up at 09.30, do the course work and then go back to your hotel at 16.00. As part of the programme we spend time learning together, undertaking activities together, eating together and most of all having FUN. One delegate recently described this as homeliness and that he has never come across this type of experience before on a training course.

Client testimonial

A fast moving inspirational course which utilises a range of teaching methods in beautiful surroundings...

Lisa Aitken

Finally the networking aspect...

This is something you can never recreate on a closed course. When you mix up clients who come from the public, private and third sectors, who have had completely different life experiences, different perspectives of how things work and job roles, then anything can happen!! It is usually pretty special and we have seen long lasting friendships developed over the time spent with us in the Lakes.

Your accommodation and catering...

We have 2 beautiful houses in Keswick where you will have your own bedroom. We also provide breakfast and light refreshments each day. Lunch and dinner are not included in the cost but there are many options in Keswick to buy snacks or enjoy meals out.

If you would like to see the properties, then please visit; www.newlandshousekeswick.co.uk for further information

Hopefully this will give you an insight into why the results driven learning experience is different.
